

28th International Conference on Yeast Genetics and Molecular Biology (ICYMG)
Members of Finance and Policy Committee
Yeast Researchers

Prague, July 15th, 2015

Dear Committee Members, dear Yeast Researchers,

As the President of the Czech Academy of Sciences (CAS) a national centre for research in a broad spectrum of the natural, technical and social sciences and the humanities, Prague, I am pleased to learn that The Institute of Microbiology of the CAS, v. v. i. (IM) would like to host the **28th International Conference on Yeast Genetics and Molecular Biology (ICYMG)** in Prague in the year 2017.

I wish to inform you that I, as the President of the CAS, strongly support this initiative.

You may already know that Prague has a vast history of hosting many international keynote meetings in a wide variety of fields. We would be delighted to see such a prestigious conference being held in our beautiful city.

Prague has an exceptionally high standard of convention facilities, an excellent hotel infrastructure and an effective and efficient transport system, which we believe will meet standard of all delegates attending in 2017.

I therefore hope that Prague and the Czech Republic will have the honour and the pleasure to host the **28th International Conference on Yeast Genetics and Molecular Biology (ICYMG)** and that this conference will be a great success.

Yours sincerely,
